RWM Family FUNdraiser

Hello Randolph World Ministries, Inc. supporter,

It has been two years since our last fundraiser, due primarily to Covid-19 and political unrest in Haiti. At this juncture I am planning to reinstitute the face-to-face luncheon style fundraiser in the summer of 2023. In the meantime, please consider participating in the 2023 virtual RWM Family FUNdraiser. The focus of this fundraiser is the construction of the Sickle Cell Center in Saint Marc, Haiti. Although I have the funds to initiate construction, funds for completion are still the limiting factor so I anticipate this project will be a 2–3-year build. This project is important because the estimated mortality rate of Haitian children born with sickle cell disease is about 75% by age 5 years compared to <1% in the US. We can dramatically reduce this mortality rate to save lives and improve quality of life. More importantly, the SiCC will share the good news of Jesus Christ to our patients.

If you plan to participate and contribute by check, we are still providing the donation remittance form and a self-addressed stamped envelope. If we have your mailing address, be looking for a letter in the next few weeks with the form and stamped return envelope enclosed. If you prefer to contribute electronically, there are several options listed below. Lastly, we are continually seeking fundraising partners to host a dinner at your church with the proceeds supporting the work of Randolph World Ministries, Inc. Where possible, the Randolph family can attend your fundraiser dinner and share our work.

Thank you so much for considering this family FUNdraiser event and for supporting the work of RWM.

A special thanks to Donna Swank-Rudiger for donating the stamps & envelopes that will be used in the upcoming mailing.
